

Celebrate Your Faith

Explore Celebration Teams

Performance Teams:

- ♦ **Drama Team** Are you interested in acting during NHF's Sunday Celebrations and seasonal productions? There's always room to join the Drama Team!
- ♦ **Instrumental Worship Team** Do you play an instrument? NHF welcomes new musicians to join the band year-round, with opportunities to play for Sunday Celebrations, missions events, special events and more.
- ♦ **Vocal Worship Team** Would you like to be a part of leading NHF's Celebrations on Sunday mornings? The next set of auditions will take place on Saturday July 12 for the August-November rotation. Contact Worship Leader Tim Currin (worship@nhf.cc; 303-5266, x109) if you have questions about the team or the audition process.

Technical Teams:

- ♦ **Audio Team** This team provides the sound engineering for NHF's events, including Sunday Celebrations and special events.
- ♦ **Multimedia Team** This team creates presentations for NHF's Sunday Celebrations and other events. If you have filming, video editing, graphic design or KeyNote experience, this may be the team for you.
- ♦ **Production Team** Every week this team coordinates lighting, video and slide presentations with what is taking place on stage. You can join the rotation in whatever area or areas you feel comfortable with, or observe the team in action to decide if you'd like to be trained in skills that are new to you.

For additional information about these opportunities, or to join a team, please contact NHF at 303-5266 or nhfmail@aol.com.
