LifeTouch Teams

Communion

Join with other team members to prepare the communion elements for NHF's monthly believer's worship.

First Impressions

First impressions are important! This team provides multi-faceted, on-the-spot care to the facility to make NHF attractive to all attenders.

Greeters

Be part of the team who welcome and help attenders on Sunday mornings. Chances are, you remember someone who welcomed you on your first visit to NHF. Would you like to be one of the friendly reasons someone else returns?

Receptions

This team obtains, prepares and serves refreshments for NHF's special occasions. You may volunteer to assist in any aspect of this process!

For more information or to join any of these teams, please contact
